## PRODUCT DETAILS

You do life. We'll do tunes.

Introducing your voice-controlled lifestyle concierge with the Google Assistant built-in and enhanced by decades of Onkyo audio know-how to give music wings. Ask to play whatever you want through custom amp and long-throw woofer, or voice-control other speakers in a Chromecast built-in ecosystem when your hands are full. Experience the depth and power only Onkyo can bring to music.

### Features

- With the Google Assistant built-in
  - Comes with Chromecast built-in for voice-automated media streaming to Chromecast-enabled speakers and other audio and A/V systems
    - Voice control for home automation with compliant devices
    - Crafted for premium high-fidelity sound by expert Onkyo engineers
    - Non-resonant computer-modeled wood enclosure with gloss finish
    - Robust and stylish baffle grille for protection
    - Custom woofer with massive magnet and soft-dome tweeter for deep bass, rich mid-range, and clear high-frequency sound
      - Efficient and powerful switching amplification system with noise reduction technology
      - 5 GHz/2.4 GHz Wi-Fi® for stable audio streaming
      - Plays music from popular music-on-demand network services
      - Simple setup with the Google Home app for iPhone, iPad, Android™ devices and Chromebook, Mac, and Windows® PC
        - Plug-and-play connection
- Google is a trademark of Google LLC.
