## PRODUCT DETAILS

Start the next season with life-changing sound

Experience the ultimate in pure sound flexibility. The powerful yet compact HT-S3910 transforms tiny TV sound into a thrilling sonic sensation with Dolby Atmos® and DTS:X® playback through 3.1.2 channels. Legacy soundtracks are remapped to localize sound and add height dimensionality, or enjoy 3D immersion without height or rear speakers connected thanks to Dolby Atmos Height Virtualizer\* and DTS Virtual:X™ technologies, which place you at the heart of the event. Support for 4K/60p and HDR primes you for next-gen Ultra HD content. Power an HDMI® network dongle via USB terminal or enjoy streaming audio with Bluetooth® technology. Advanced Music Optimizer™ works magic on lossy audio. Everything you need is in the box, right down to cables to connect factory-matched speakers. These full-range units love high-current power, so turn it up and enjoy home entertainment as it's meant to be.

## Product highlights

- 155 watts per channel
- Supports 4K/60p and HDR (HDR10, HLG, Dolby Vision®, BT.2020)
- Dolby Atmos® and DTS:X® playback
