PRODUCT DETAILS

Unbeatable features meet unbeatable sound in the TX-NR656, a cutting-edge A/V powerhouse that revolutionizes the entertainment experience. There's DTS:X® and Dolby Atmos® decoding with advanced AccuReflex phase calibration for cohesive spatial audio; Chromecast built-in, AirPlay, and Wi-Fi® with Spotify® and TIDAL for music on demand; and FlareConnect™* that sends network sources and audio from external inputs to compatible components and speakers in other rooms. Select HDMI® terminals support 4K/60 Hz/HDR/HDCP 2.2, while the 32-bit DAC extracts all the depth and detail of Hi-Res Audio. The TX-NR656 has Dynamic Audio Amplification to accurately control and drive your speakers with phenomenal clarity. Whether it's pulling you into Middle Earth, waking the neighbors with Fallout 4, or pumping out the latest on Spotify®, the TX-NR656 rekindles passion for the content you love.
