DETTAGLI DI PRODOTTO

You do life. We'll do tunes.

Introducing your voice-controlled lifestyle concierge with the Google Assistant built-in and enhanced by decades of Onkyo audio know-how to give music wings. Ask to play whatever you want through custom amp and long-throw woofer, or voice-control other speakers in a Chromecast built-in ecosystem when your hands are full. Experience the depth and power only Onkyo can bring to music.

Features

- With the Google Assistant built-in
- Comes with Chromecast built-in for voice-automated media streaming to Chromecast-enabled speakers and other audio and A/V systems
- Voice control for home automation with compliant devices
- Crafted for premium high-fidelity sound by expert Onkyo engineers
- Non-resonant computer-modeled wood enclosure with gloss finish
- Robust and stylish baffle grille for protection
- Custom woofer with massive magnet and soft-dome tweeter for deep bass, rich mid-range, and clear high-frequency sound
- Efficient and powerful switching amplification system with noise reduction technology
- 5 GHz/2.4 GHz Wi-Fi® for stable audio streaming
- Plays music from popular music-on-demand network services
- Simple setup with the Google Home app for iPhone, iPad, Android™ devices and Chromebook, Mac, and Windows® PC
- Plug-and-play connection
